

DIRECTIONS TO OUR OFFICE

Take the 405 Freeway

Exit Hawthorne Boulevard – Make a Right (heading towards Palos Verdes Peninsula)

Pass: Artesia Boulevard, 190th Street

Make a Right on Emerald Street. (This is the last light before Torrance Boulevard. If you reached Torrance Boulevard, you passed Emerald Street and can make a right on Emerald and a right on Earl Street to get back to us.)

We are in a 4-story brown glass building, called the Kenneth E. Watts Medical Building.

You can enter our parking lot off of Emerald Street or Earl Street. There is plenty of free parking on both sides of our building.

See you here!
